### Annual General Meeting Dates

---

#### Policy details

The Annual General Meeting (AGM) for BC Public School Employers' Association will take place each year at a time that is most convenient for Boards of Education. Near the beginning and end of the school year are not ideal times for the AGM. With these parameters in mind, BCPSEA's Board of Directors recognizes that its AGM may need to take place later than six months after the association's fiscal year end (March 31).

BCPSEA's Bylaws outline requirements for the AGM, including timelines for when information must be shared with members in advance of the AGM.
